

## For better connectivity: Five more bridges in the Sunderbans

The state government will be constructing five more bridges in the Sunderbans to improve connectivity between different islands in the region. Manturam Pakhira, Sunderban Affairs minister, said in reply to a question in the state Assembly on Thursday: "There are plans to construct five more bridges in the Sunderbans to connect the islands. It is expected that the projects will be taken up and the construction of the bridges will be completed in the next five years."
