9.7 Procedures to be followed when one/two technically qualified tenderers participated in any tender.

- i. Selection of tenderer/bidder should be made on the basis of at least three valid tenders, which shall be opened in presence of their willing agents. If the number of tenders received is less than three, tender would be cancelled and invited afresh.
- ii. In case of invitation of e-tenders under two-bid system, if the number of tenderer/bidders qualified in the technical bid is less than three, tender would be invited afresh.
- iii. The lowest tender for all works is accepted as a rule. If for any reason the lowest tender is not accepted, reference is to be made to the appropriate Government for orders as to which of the tenderer/bidder the work should be awarded.
- iv. Maximum 5% excess beyond 'Tender Value'(Amount put to Tender) may be accepted by the Tender Accepting Authority if at least three valid tenders have been received subject to the overall power of tender acceptance delegated to each level of engineer officers as mentioned in the Finance Department Notification issued from time to time, provided tender value after abatement is within the administratively approved cost. In case of excess over administratively approved amount, proposal for revised administrative approval would have to be submitted to the Government, but acceptance of tender and issue of work order may be kept pending for want of revised administrative approval.
- v. Above 5%and up to10% of the Tender Value can be recommended for acceptance by the Government appointed Departmental Tender Committee(DTC) subject to the conditions that valid tenders should not be less than three and L1is accepted and tendered amount is within the administratively approved cost. In case of excess over administratively approved amount, revised administrative approval would have to be submitted to the Government but acceptance of tender, and issue of work order may be kept pending for want of Revised Administrative Approval.
- vi. For acceptance of tenders above 10% of the Tender Value (Amount put to tender),upon specific recommendation of the DTC as mentioned at clause9.7(v) above, with that of the Department shall have to be sent to the Finance Department.
- vii. If the response to an e-Tender is less than three, then Tender should be invited afresh. Such Re-Tender notice shall be published in widely circulated dailies as per guidelines and also through e-Tender web portals. Prior to invitation of Re-Tender / fresh e-Tender, the eligibility criteria and other terms & conditions as contained in the first 'Notice Inviting e-Tender' (e-NIT) shall have to be reviewed by the Tender Inviting Authority, to ascertain whether (i) it was too much restrictive, say, specifications and qualifications were fixed at high standards than required, (ii) advertisements in the widely circulated Newspapers were properly published and (iii) other related procedural matters were observed in its entirety.
- viii. Even if, after taking appropriate steps in regard to relaxation of criteria to the extent as decided by the Tender Accepting Authority and also wider publicity of 2nd tender / 2nd call in widely circulated dailies and through web-site, the response to the Re-Tender is still less than three, this procedure enumerated vide G.O. no. 925-F(Y) dt. 14.02.2017 will be in force.
- ix. For acceptance of Single bid when the no. Of qualified bidders during 2nd call is less than 3 the following procedure will be followed.

As per FD Memo No. 9754-F(Y) dated 03.12.2012, if the response to Tender (including e-Tender) is less than three (3), then Tender is invited afresh in terms of note 1 below rule 47(8) of West Bengal Financial Rules as amended by this department Notification no. 5400-F(Y) dt 25.06.2012. The Tender Notice and Re-Tender notice, if any, is required to be published in widely circulated dailies and also through e-Tender portal in case of e-Tender/e-Auction. Prior to invitation of Tender/Auction the eligibility criteria and other terms & conditions are required to be prepared carefully by the Tender Inviting Authority. However, in case of 2nd call, if any, the eligibility criteria and other terms & condition as contained in the first 'Notice Inviting Tender' are required to be reviewed by the Tender Inviting Authority to ascertain whether-

- i. It was too much restrictive, say, specifications and qualifications were fixed at higher standard than required,
- ii. Advertisements in the widely circulated Newspapers were properly published and
- iii. Other related procedural matters were observed in its entirety.

However, it has been observed that in many cases the above provisions and procedures of reviewing the eligibility criteria and wide publication of the NIT for tender / 2nd call are not being properly observed by the Tender Inviting Authority and the departments.

Also, in some cases, extending the time for submission of bids after the expiry of normal time is regarded as equivalent to re-tender or fresh tender.

Under such circumstances, in partial modification of this Department Memorandum No. 9754-F(Y) dated 03.12.2012 and the related orders issued in this regard, the following provisions regarding extension of last date of submission of bids and acceptance of bids when the nos. Of qualified bidders during re-tender is less than three (3) are to be followed:

- ii. If the Bid is more than 2% but less than 5% above the Estimate, the Departmental Head / Secretary may accept the tender in consultation with the FA of the Department on recommendation of the Departmental Tender Committee.
- iii. If the Bid is more than 5% above the Estimate, the Departmental Head / Secretary in consultation with the FA of the Department will refer the file to the Finance Department for approval.

C. If the estimate is more than one crore :

The Departmental Head / Secretary, in consultation with the FA of the Department and Departmental Tender Committee will refer the file to the Finance Department.

- 3) All the administrative Departments may constitute a Departmental Tender Committee if not already done, for doing the above noted work.
